

Let's Do the Timewarp

E F# D A E

It's astounding... Time is fleeting... Madness takes its toll

E F# D A E

But listen closely... Oh, Just a little longer... I'm about to lose control

E F# D A E

See I remember... Doing the time warp... Reaching those moments when

E F#

The blackness would hit me... And a voice would be calling

C G D A E C G D A E

Let's do the timewarp again... Let's do the timewarp again

B

E

B

It's just a jump to the left... And then a step to the right... With your hands on your hips

E

A

E

bring your knees in tight... do the pelvic thrust... till it drives you insa-a-a-a-ane

C G D A E C G D A E

Let's do the timewarp again... Let's do the timewarp again

E

A

E

Now It's so dreamy... oh fantasy free me... I can be anything at all

E

A

E

With a bit of a mind flip... you're into the time slip... Nothing will ever be the same

E

F#

You're spaced out on sensation... like you're under sedation

Let's do the timewarp again... Let's do the timewarp again

E

F#

D

A

E

A new generation... wrapped in the folds of creation... and time is the liquid in which it suspends

E

F#

See it all mix together... past, present, and future
